# POWER UP YOUR DESKTOP PRINTING

# bizhub 25e

## MORE PRINT/SCAN POWER TO SPEED YOUR WORKFLOW.

The bizhub 25e is a true business professional that out-performs conventional "all-in-one" devices, bringing the productivity benefits of MFP performance to your desktop. It's a solution that saves energy, simplifies your workflow and provides monochrome print/copy output at up to 25 ppm, with expandable paper capacity so you can work longer with less reloading. A standard 80-sheet duplexing auto document feeder allows you to efficiently print, copy, scan and distribute information. Intelligent fax capability with 1030 broadcast stations and 1000 speed dials gives you all-in-one productivity you can count on. And toner capacity of up to 20,000 sheets lowers your cost of ownership – so you'll have speed, performance and reliability you can count on.

**High-quality, cost-effective B&W prints and copies.**

To accommodate multi-platform workflow, the bizhub 25e comes standard with PCL5e/XL and offers print options for PostScript 3, barcode printing and PDF direct print. And full MFP functionality includes productivity features you'd expect to find only on full-size MFPs.

A small footprint fits more document power in less space. Print resolution of 600 x 600 dpi creates monochrome documents with superior detail, consistent toner coverage in solid fills, and clean, crisp text even against toned backgrounds. You can print on paper up to 8-1/2" x 11" and 8-1/2" x 14", the sizes you use most often – with auto duplex to help you save paper by quickly and easily producing 2-sided copies and prints.

Operation is simple, with the convenience of a 5.8" touch-screen and intuitive, user-friendly menus. A unique "My MFP" mode brings commonly used features together on a single screen that can be customized for individual users. Personal address books can also be customized. You can print directly from or scan to a USB thumb drive, with convenient front-panel input. Or you can choose the wireless printing option for total convenience.

A standard 500-sheet cassette allows you to load a whole ream of paper. A 100-sheet bypass tray supports special papers, including letterhead and heavy paper stock. Add up to three optional cassettes, and maximum paper capacity rises to 2,100 sheets for long unattended print/copy runs.

## Color scanning and intelligent fax to share information.

In addition to print/copy output up to 25 ppm, the bizhub 25e expands your productivity with fast color scanning to multiple destinations. You can scan to network printers, email addresses, FTP locations, PC Folders and USB flash drives. Scan to Evernote, a unique feature of the bizhub 25e, allows you to scan directly to this popular app and access your document from your PC, tablet or smartphone. A standard 80-sheet duplexing auto document feeder saves time when you're scanning long documents.

The bizhub 25e is also a high-speed fax, with advanced facsimile functions like group addressing, broadcast sending and PC faxing to distribute information with greater ease. An optional output tray can be attached to the right side of the machine and used to separate output – print jobs in one tray, fax output in another so you'll never lose a fax again.

## Security to protect data, recycling to protect the environment.

In the digital networked era, security precautions are essential – and the bizhub 25e gives you more ways to protect documents and devices, including password login with Active Directory support, secure fax reception and secure printing (requiring a control-panel password before printing), and auto fax routing to secure PC folders. You can also send scanned documents as secure PDFs that require a password before files can be opened.

Nobody protects your data like Konica Minolta – and no company goes further in protecting the environment. The bizhub 25e provides low power consumption and energy-saving operating modes. Our exclusive Clean Planet Recycling program is the industry's first cost-free plan for recycling all Konica Minolta consumables. And our Eco Vision 2050 initiative has set a goal of reducing $CO_2$ emissions 80% by the middle of this century.

More than ever, customers count on Konica Minolta – and putting the bizhub 25e to work in your office will show you why.

A high-resolution touchscreen LCD panel provides an animated help guide, icons and graphics for simple operation. And, with scanning to USB, FTP, PC Folders, network printers, Evernote and more – you can digitize, share and print more quickly.

Expand your productivity with a sleek design that allows for desktop placement or for modular expandability – letting you add up to 3 optional cassettes for a maximum capacity of up to 2,100 sheets.

**For all your document needs, count on Konica Minolta.** Konica Minolta Business Solutions U.S.A., Inc. is a leader in advanced document management technologies and IT Services. The company focuses on complete business solutions including production print systems, digital presses, multifunctional products (MFPs), managed print services, vertical application solutions and related services and supplies. Konica Minolta has won numerous awards and recognition including being recognized as the #1 Brand for Customer Loyalty in the MFP Office Copier Market by Brand Keys for six years in a row. For the third consecutive year, Buyers Laboratory LLC (BLI) has named Konica Minolta as the winner of its "A3 MFP Line of the Year" award. In 2012, Konica Minolta also received "Document Imaging Solutions Line of the Year" recognition from BLI – and has been named to the Dow Jones Sustainability World Index in recognition of the company's economic, environmental and social performance. We're proud of our record of achievement – and we invite you to learn first-hand why you can always count on Konica Minolta. For more information, visit **www.CountOnKonicaMinolta.com**

MONOCHROME PRINTER/COPIER/SCANNER/FAX

COUNT ON KONICA MINOLTA

## SPECIFICATIONS

| | |
|---|---|
| Type | Printer / Copier / Fax / Full-Color Scanner with Stationary Platen |
| Toner System / Print Method | Crushed Toner / Electrophotographic Laser |
| Print / Copy Speed | 25 ppm (letter, portrait) |
| Monthly Duty Cycle* | 50,000 Pages |

## COPY

| | |
|---|---|
| Display | 5.8" backlit touch screen display (QVGA 320 dots x 240 dots) |
| DADF | Up to 80 originals |
| Warm-up Time / First Copy Time | Approx. 12 seconds / 6.0 seconds (platen), 12 seconds (DADF) |
| Copy Resolution / Multiple Copies | 600 x 600 dpi / 1-99 |
| Copy Features | Duplex (1-sided→2-sided, 2-sided→2-sided), Electronic Sort, ID Card Copy, Combine (2-in-1, 4-in-1), Mixed Original, Document Type (Text, Auto, Photo, Background), Contrast Adjustment +/-5, Enlarge/Reduce [Auto, Preset, Custom (25-400% platen, 25-100% DADF)] |

## PRINT

| | |
|---|---|
| Processor / Memory | 364MHz, 32-bit RISC / 512MB (shared print, copy, scan and fax) |
| Print Resolution / Grayscale Gradation | 600 x 600 dpi / 256 Gradations |
| Interface | Fast Ethernet 10 Base-T/100 Base-TX, Hi-speed USB 2.0, USB Host Port |
| Page Description Language / Fonts | GDI, PCL 5e/PCL XL, XPS / PCL: 80 fonts |
| • Optional Page Description Language / Fonts | Postscript 3, PDF Direct Printing, Barcode Printing / PostScript 3: 136 fonts, Barcode: 32 fonts |
| Print Features | Scaling (Fit to Paper, Enlarge/Reduce 25-400% in 1% increments), Custom Paper, Cover Sheet, Combine (2-Up, 4-Up, 8-Up), Watermark, Duplex/Booklet, Binding Offset, Toner Save Mode, Print Density, True Type Font Printing, Electronic Sort, Secure Printing, InfoMonitor, PDF Direct Print (optional) |

## COLOR SCAN

| | |
|---|---|
| Scan Speed / Resolution | Full Color: Up to 27 opm; Monochrome: Up to 40 opm (speeds vary based on resolution and data size) / Up to 600 x 600 dpi |
| Color Depth | 24-bit |
| Document Size | DADF: 4.7" to 8.5" (W) x 3.9" to 35.4" (L), Platen: Max. 8.5" x 14" |
| Scan File Formats | Color: JPEG, PDF, Secure PDF; Monochrome: TIFF, PDF, Secure PDF |
| Scan Features | Color Scanning, Scan-to-Email, Scan-to-SMB, Scan-to-FTP, Scan-to-User, Scan-to-Box, Scan-to-USB, DocIndex (MetaData Attachment), Network TWAIN Box, Broadcast, Batch Scan, Email Subject, Next Document, Document Type (Text, Auto, Photo), Color Adjustment, Contrast Adjustment +/-5, Enlarge/Reduce [Auto, Preset, Custom (25-400% platen, 25-100% ADF)] |

## FAX

| | |
|---|---|
| Fax Transmission Speed / Resolution | 33.6 Kbps Super G3 / Up to 400 dpi |
| Compression | MH/MR/MMR/JBIG |
| Fax Features | Resolution, Contrast Adjustment +/-5, Redial, Monitor, Speed-Dial (1,000 stations), AutoDist. Group Tx, Auto Rx, Security Rx, TTI, Cover Page, Tx Report, File Format, Scan Size, Next Doc., Polling, F-Polling, Polling Doc., F-Code Tx, F-Code Doc., Closed Tx., ID Check, Memory Tx, Dialing Options, Broadcast, Mail Address, Mail History, Email Subject, Batch Tx, CheckMail, Delayed Tx, E Gateway, PC Fax |

## MEDIA HANDLING

| | |
|---|---|
| Paper Sizes | Paper cassette: Letter, Half-Letter, Legal; Bypass tray: Letter, Half-Letter, Legal, Executive, A6, A5, A4, F4, DL, COM#10, Monarch, Postcard, OHP film; Custom paper: 3.6" to 8.5" (W) x 5.5" to 14" (L) |
| Paper Storage Capacity | Paper cassettes: 500 sheets (20-24 lbs. paper); Bypass tray: 100 sheets (20 lbs. paper) |
| Paper Weight | Paper cassettes: 20-28 lbs.; Bypass tray: 20-43 lbs.; Duplex: 20-24 lbs. |
| Paper Output | 250-sheet face-down output tray |
| Maximum Paper Capacity | 2,100 sheets (total, with options) |

## OPERATING SYSTEM COMPATIBILITY

| | |
|---|---|
| Windows | Windows Server 2003, 2008, 2008 R2, 2012 / Windows XP, Vista, Windows 7, 8 |
| Other | Unix, Citrix, SAP, AS/400 |
| • Mac | Mac OS X 10.2 or greater |
| • Linux | RedHat, Fedora, SUSE |

## SECURITY

| | |
|---|---|
| Security Functions | Secure Print, Security Rx, Function Protect Settings, Network User Authentication, IP Address Filtering, MAC Address Filtering, Secure Sockets Layer (SSL), SNMPv3 |

## POWER & DIMENSIONS

| | |
|---|---|
| Power Requirements | 120VAC ±10%, 50/60Hz |
| Consumption | Less than 1,000 W - TEC Value 1.4 kWh |
| Dimensions (W x D x H) / Weight | 20.5" x 20.2" x 20.0" / 53 lbs. |

## • OPTIONS

| | |
|---|---|
| • Available Options | Paper Feed Cassette (500-sheet), PostScript 3 Enabler, PostScript 3 Memory Expansion, Barcode Printing, PostScript 3/Barcode Printing, Panel Overlay (Spanish/French), Wireless LAN Adapter, Message Board Memory Expansion, Fax Stamp Kit, Mechanical Page Counter, Choice of Large or Small Paper Cabinets. |

## CONSUMABLES

| | |
|---|---|
| Consumables | Black Toner (Yield: 20k), Black Drum Cartridge (Yield: 42k) |

● OPTIONAL    ○ STANDARD

*The Maximum Monthly Duty Cycle describes the maximum number of pages a device can output on a monthly basis. This specification is a guideline intended to offer a comparison of durability as it relates to the entire Konica Minolta MFP and printer product line so that the appropriate device can be placed in order to meet customer needs.

KONICA MINOLTA

**Konica Minolta Optimized Print Services offers a full suite of device output services and workflow solutions that increase efficiency and control costs. Please contact your authorized Konica Minolta sales representative for details.**
